

# Home

Welcome to the Mirth Connect community wiki. Any pages or groups of pages marked as "official" are created and maintained by Mirth, while all other pages are driven by the Mirth Community. We welcome all users to contribute tips, hints and suggestions for using Mirth here. Feel free to edit and create your own content.

For active discussions and help using Mirth Connect, please visit the [forums](#).

Mirth Corporation also offers [professional support](#) and services for Mirth Connect, as well as [training and certification](#).
